## From Fr Doug

Dear parishioners,

I am completely blown away with the generosity of people in our faith communities that give so much of their time and fund necessary items that make our churches so much better in worship and communion. I want to thank the Kelekolio and Moreno families who generously funded two new projectors and their installation into St Francis church.

It makes me conscious that as communities of faith we are not alone in our journey of faith. We make this journey of faith as members of a believing community. The faith of the community and their actions of faith will support us even when our faith is challenged in those trials of life with failures and tragedies.

Mother Teresa said: 'We are not called to be successful, only faithful.'

Do we have the courage and faith to believe in this no matter the trials and adversity that we face in being disciples of Christ?

Remember

**Blessed are the generous:**

**They keep alive our faith in the essential goodness of people.**

**Blessed are those who are not afraid of sacrifice:**

**On the day of harvest, they will sing with joy.**

*With every blessing*

*Fr Doug*
