Sunday June 12

Trinity Sunday

In the message of the Gospel and in every form of Christian mission, one cannot overlook this unity among us to which Jesus calls, following the unity of the Father, of the Son and of the Holy Spirit. The beauty of the Gospel asks to be lived — unity — and witnessed in the harmony among us, who are so diverse!

From Fr Cirilo

Dear Parishioners - Te rangimarie!

We have returned to ordinary time and in doing so with the celebration of the Holy Trinity - the solemnity of the God of love, a personal God that unites, creates and recreates. And we know this by the loving action of God.

In the first reading we have this image of the wisdom of God (Jesus and H.S. in the New Testament), who knows how to create and recreate. We see this in the act of creation described as an act of love and joy. In the very act of creation the wisdom of God is depicted as someone playfully roaming around the earth in joy, dancing with amusement at the creation. "I found delight in the children of human beings" a special mention of God's love for the human beings.

In the second reading from the letter of Paul to the Romans we again see the recreative action of God clearly seen in the Trinity. We have been created by faith through Jesus Christ who is called the wisdom of God - the word of God, the Son of God. We are justified before God, finding peace with God through the wisdom called Jesus Christ.

In the Gospel, the Holy Trinity is our God, a personal God of creative love - act of the triune God. The creating and recreating power of love deeply rooted in the loving communion of the Father, the Son and the Holy Spirit, cannot be helped but to overflow into the world the recreating love for the human being. Jesus said, as his farewell, the Holy Spirit will lead you to all truth which in the gospel of John means the "truth of God." No one can know God except by the gift of the Holy Spirit. It is in the Holy Spirit that we are all led to the very heart of the mystery of who God is. And this Holy Spirit will remind the disciples of the words of Jesus Christ. Nothing else. There is no competition. No individuality. No power play. Only intentional love of the wisdom of God that creates and recreates and never destroys.

We live in diversity, family diversity, in the community we belong to and in the society we live in. We might differ in skin colour, in historical narrative, in our approach to disposition in the culture we belong to. We are called to love in unity in the Trinity. The loving power of the Trinity might inspire us to recreate and renew the face of the earth - which is one, true, and good.
